The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 20-F (17 CFR 249.220f) is used to register securities of foreign private issuers pursuant to Section 12 of the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78l) or as annual and transitional reports pursuant to Sections 13 and 15(d) of the Exchange Act (15 U.S.C. 78m(a) and 78o(d)). The information required in the Form 20-F is used by investors in making investment decisions with respect to the securities of such foreign private issuers. We estimate that Form 20-F takes approximately 2,629.689 hours per response and is filed by approximately 729 respondents. We estimate that 25% of the 2,629.689 hours per response (657.422 hours) is prepared by the issuer for a total reporting burden of 479,261 (657.422 hours per response x 729 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden

imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
